To Whom it may Concern,

We have been very fortunate to have Thomas working with us as our Film Festival & Education Coordinator.

Thomas has shown that he has initiative, passion and is a fantastic communicator. Thomas has done an exceptional job at engaging with our clients and has contributed significantly to our organisation.

The hard work and dedication that Thomas has applied to his work with us was instrumental in our nomination for the Cool Company Awards.

I would not hesitate to recommend Thomas for any position in the film industry.

We wish Thomas well in his future endeavors and would very much like the opportunity to work with him again .

Please don't hesitate to contact me if you would like details about any duties or if you would like a verbal reference.

Kind regards,
